- **Cottage on the Hill**

Available on Airbnb at <http://abnb.me/EVmg/41et0Bc09A>

Cottage on the Hill at Harmony Hollow is surrounded by nature and quiet in beautiful Red Lick Valley. Hike 250 acres of woods in pure solitude, go rock hunting in the creek or mushroom hunting in the hills, watch horses on the property peacefully grazing, enjoy the view from the fish pond, or just take solace in the peace and quiet of the cottage. Just 15 minutes from downtown Irvine.

Cottage on the Hill was designed by my mother as her retirement dream home. Our close friend, who also built all our other buildings on the property, built her home to her exact specifications. She filled it with thousands of her beloved books and surrounded herself with beautiful views in a quiet, secluded space. While there are a few steps to the porch, the interior is one level and set up for guests with mobility difficulties. We love to share the beauty and magic of this place!
